

‘For the Love of the Earth’

Study Day

14 February 2026 10am – 3.30pm

Led by

Rev’d David Coleman

Chaplain, Eco-Congregation Scotland

Hosted by: St Mary’s Church Market St Ullapool

The earth is facing a climate crisis emergency that requires an urgent response. This is as much a spiritual crisis as it is environmental or economic, and our Study Day will reflect on the dimensions of a spiritual response to the climate emergency.

All are welcome - whatever your faith or non-faith.

There will be an opportunity to join the Peace Vigil at the Clock Tower at 12 noon - alternatively there will be a short film screening.

Refreshments will be available and Soup will be provided for lunch (please bring your own sandwiches)

If you are interested in attending, please e mail dhiggon1@gmail.com or priest-in-charge@nwcharge.org

It would be helpful to have responses by 7th February 2026.
