Herring Stories of the Minch

Documentary, 2026, approx 60m

Herring have shaped our communities and culture.

This film was made with local communities and asks: what was lost when herring disappeared from the Minch, and what might their return mean for our culture, livelihoods and wildlife?

Thursday 18th June, 7.30pm
Ullapool Ferry Terminal

You're welcome to stay for discussion after the film with film-makers Lydia Martens and Pawas Bisht
